

AN OLD WORLD RETREAT IN TUSCANY

It's only the most beautiful place in the world. This is only the most luxurious way imaginable to experience it, Tuscany.

Take a step back in time and visit the birthplace of the artistic Renaissance while also enjoying a luxurious and modernized villa. The Villa Podere Concezione will be your and seven guests' home away from home. Enjoy the amenities of a modernized three-bedroom, three-bathroom centuries-old house, complete with separate casita and bath, as you rest from a day of historical sightseeing. Live the life of past Italian kings and queens with the help of a personal cook and housekeeper.

The famed Tuscan hills will welcome you and guests to an Old World landscape dotted with vineyards, farmhouses and artistic landmarks. Visit the nearby medieval town of Montepulciano and set foot among the walls dating back to the 14th century. There, you can enjoy a glass of wine and a taste of its world-renowned cheeses, honey and pork as you map out visits to notable sights such as the Cathedral of Santa Maria Assunta and the Palazzo Comunale.

Dates to be mutually agreeable. Not available in June or July.
